Charlotte County School District, Charlotte, Va. Libraries are Live on Atrium.

Book Systems Inc., a national leader in library technology, is delighted that Charlotte County Schools have successfully implemented Atrium in their four elementary schools, one middle school and one high school.

At Book Systems, we stay up-to-date in the world of programming and product development. When you purchase our state-of-the-art library automation products, be assured those products are thoroughly tested, carefully planned, and created with guidance from our customers.

Book Systems Inc. provides affordable feature-rich library software that delivers solutions to libraries of all sizes. Our software is suited to fit the needs of librarians in a technology driven world, while still being easy to learn and user-friendly. Atrium offers an easy-to-use circulation desk, quick cataloging, MARC editing, easy-to-create reports, theme choices, serials, acquisitions and textbook management. Our software provides more features and demands fewer resources. Book Systems is dedicated to quality and customer satisfaction. The company's philosophy is very simple: create quality products; test them with input and direction from librarians in the field; and back them up with renowned customer service and support. Further information is available at www.booksys.com.
