Jackson-Madison, 28 schools in Jackson, Tennessee Implements Booktracks

Jackson- Madison's mission is to prepare tomorrow's leaders by providing a safe, caring learning environment, working in cooperation with families and the community and providing appropriate curriculum and effective instruction. The purchase of Booktracks will help students and teachers to have better access to the teaching materials and equipment. The textbooks will be tracked and accountability will be required. Form letters can be sent to the parents containing a list of all equipment and textbooks students have checked out. The Help files are easy to view and textbook circulation has been made easier with Booktracks.

About Book Systems, Inc.:

Book Systems, Inc. cost-effective, feature-rich library and textbook and asset management software that delivers solutions to libraries and schools of all sizes. Booktracks, our Web-based textbook management solution, was designed to protect one of the district's most valuable assets - textbooks. Our software is suited to fit the needs of the textbook coordinator in a technology-driven world, while still being easy to learn and user-friendly. Booktracks offers easy-to-use Self Check Out and Self Check In Stations, quick cataloging, and standard and customizable reports. Book Systems is dedicated to quality and customer satisfaction. The company's philosophy is very simple: create quality products; test them with input and direction from textbook coordinators in the field; and back them up with renowned customer service and support.
