Lowndes County Public Schools move to Atrium

Book Systems, Inc. is proud to announce that Lowndes County Public Schools, Alabama are live with Atrium in their 7 school libraries.

The mission of the Lowndes County Public School System is: "to ensure that our graduates are responsible citizens, effective communicators, life-long learners, and 'FIERCE COMPETITORS ON THE ECONOMIC WORLD STAGE'. We will create a safe and clean learning environment that provides students with advanced technological competences and skills that will greatly enrich their lives and aid in the improvement of our community. This will be accomplished by a competent and dedicated staff, using a multifaceted, globally competitive and technologically sound curriculum, within a framework of fiscal responsibility."

Atrium will benefit the teachers, students and parents in reaching the school's mission. The following are just a few of the features of Atrium's Librarian Desktop:

- * Flexible Interface and Design
- * Configurable Navigational Toolbar
- * Twitter and RSS Capabilities
- * Viewable Calendar, Librarian News & Messages, and Stats

Book Systems Inc. provides affordable feature-rich library and textbook software that delivers solutions to libraries and schools of all sizes. Our software is suited to fit the needs of librarians in a technology driven world, while still being easy to learn and user-friendly. Atrium offers an easy-to-use circulation desk, quick cataloging, MARC editing, analysis, easy-to-create reports, theme choices, serials, and acquisitions. Our software provides more features and demands fewer resources. Book Systems is dedicated to quality and customer satisfaction, and has implemented library automation solutions in thousands of libraries around the world. The company's philosophy is very simple: create quality products; test them with input and direction from librarians in the field, and back them up with renowned customer service and support.
