This training session includes a systematic walk through the basic features of Atrium. The class is designed to provide a basic product overview and to increase knowledge of the many features available in Atrium. Attendees will learn how to take full advantage of the program as it relates to library management. Some of the topics covered include administrative setup, OPAC, circulation, cataloging, reports, and shortcuts.

**If Book Systems needs to make special arrangements in compliance with the Americans With Disability Acts (ADA), please call your Account Manager at (800) 219-6571.**
