## **Hamilton County, Tennessee 74 schools are Live on Atrium**

Book Systems Inc., a national leader in library technology, is pleased to announce that Hamilton County's 74 school libraries are live with Atrium.

Atrium is 100% web based and will provide the students and teachers access to the library from anywhere that they have an internet connection. The librarians will have access to real-time reporting, allowing them to have a better knowledge of their collections. Atrium utilizes today's technology, giving librarians and students the best access to the library resources.

The Mission and Vision stated by the Hamilton Department of Education:

"The Hamilton County Department of Education is dedicated to helping ALL students reach their highest potential. Our mission is to ensure that ALL students succeed."

"Our vision entails giving students the skills and resources they need to be productive citizens in society. We strive to provide students with options upon graduation from high school: the option to go to post-secondary education, the option to go into the workforce or the option to seek some type of alternative training."

Atrium is a great asset to the educational process for Hamilton County.
