

# Concourse®

## The Pre-eminent Church Library Management Software in the Industry!

### Automate Every Library Task

Circulation, cataloging, searching, inventory and more!

### Prevent Errors with DoubleCheck™

Anyone can input data, but you have the final approval.

### Circulate All Types of Media

Books, records, videos, etc. may be filed, searched, and printed.

### Customer Success Story

**Eva Nell Hunter**, Director Church Media Library

"Concourse! What a way to go! It's great software for the 21st century. We thought MLS was perfect for the church media library. Concourse has raised MLS perfection to Perfection plus!, i.e., more fun, more color, more excitement and more service-oriented features for both large and small libraries..."

Central Baptist Church  
Decatur, AL

Concourse provides a  
variety of functional levels  
to meet your needs!

## Complete Library Automation

Get the most out of your valuable resources. Let Concourse enhance your church library, making it a popular center of resource. Your entire collection will come alive to your congregation providing quick and simple access to the library while requiring minimal maintenance. From circulation and bibliographic input to card and spine label printing, Concourse practically maintains itself.

### Available in a variety of levels to meet the needs of any size church library.

- Personal:** For pastors, professors, home schooling, or anyone wanting to catalog their personal library. Includes cataloging, searching/browsing, printing catalog cards, and reports.
- Level 2:** Includes all of the features of the Personal Version, plus OPAC and inventory control.
- Level 3:** Offers the same features as Level 2, plus adds circulation and patron functions (including notices).
- Level 4:** Provides all the functionality of Levels 1-3, plus adds the ability to import/export USMARC records.

### System Requirements

- Platform:** Windows 7 or Higher
- Processor:** Intel Pentium 4 Processor or Higher
- Memory:** 2 GB RAM for Windows 7, 8, and 10
- Monitor:** 1024 x 768
- Disk Space:** 160MB available for program and electronic Guides, plus an additional 2MB for every 1,000 bibliographic records
- Browser:** IE 5.5 or higher required for Concourse OPAC

Add eZcat and WebOPAC to enhance Concourse

## Simple Cataloging via the Internet

eZcat is the fastest and easiest method of cataloging your library materials. Utilizing the power of the Internet, eZcat allows you to search (Author, ISBN/LCCN, Title, etc.) and download free catalog records right from the Library of Congress, major universities, and public libraries. With just a few keystrokes, the records you've hand selected are added directly into Concourse, allowing you to edit/modify and save into your personal catalog.

### System Requirements

- Platform:** Windows 7 or Higher
- Processor:** Intel Pentium 4 Processor or Higher
- Memory:** 2 GB RAM for Windows 7, 8, and 10
- Disk Space:** 55MB
- Network:** Internet connection required

Imports records directly into Concourse, reducing cataloging time by more than 50%

## Internet Access to Your Concourse Library Catalog

WebOPAC enhances Concourse by providing instant access to your library catalog online through an Internet or local Intranet connection. Your patrons will be able to take advantage of the powerful search options WebOPAC offers. View the library catalog online from virtually anywhere using a Web browser.

### System Requirements

- Platform:** Windows 7 or Higher
- Processor:** Intel Pentium 4 Processor or Higher
- Memory:** 2 GB RAM for Windows 7, 8, and 10
- Monitor:** 1024 x 768
- Disk Space:** 10MB
- Network:** Internet connection, Static IP, and Concourse network version required

Works with any level of Concourse Network Version
