

Librista

Librista™ Mobile App

The Librista mobile app for Atrium provides your patrons with a convenient app that delivers a blend of advanced searching power, personal account management, and connectivity to your library's catalog.

Using geolocation features, patrons can quickly find your library or any other libraries that use Atrium for the Integrated Library System.

Feature rich application with extras, download now for FREE!

Librista is available for download:

Librista

Librista gives your patrons easy and engaging ways to find items/community events and manage their account.

Tap to open a menu.

Begin searching at any time

Tap the map for directions, hours, and more.

Fines and items out display when you're logged on.

Allowing location access lets you find the closest Atrium library and get directions.

Tap an item title to open details. Tap icons to reserve the item or add it to a bookbag.

Swipe up and down to scroll through cards; swipe left or right to dismiss them.

View results from your library's catalog, OverDrive resources, and community posts.

Swipe left to see an action. Tap to continue.

Tap the icons at the bottom to move around Librista. Tap the person icon to access information/features related to your account (must be logged on).

Add and edit community posts and bookbags.
