About The Author

James Patterson
James Patterson was born in Newburgh, New York, on March 22, 1947. He graduated from Manhattan College in 1969 and received a M. A. from Vanderbilt University in 1970. His first novel, *The Thomas Berryman Number*, was written while he was working in a mental institution and was rejected by 26 publishers before being published and winning the Edgar Award for Best First Mystery.

Professional Reviews

Booklist ONLINE January 15, 2001
Patterson, best known for his thrillers featuring Alex Cross, is banking on his legions of fans coming on board for this novel, the first in a new crime series. Don't be surprised if they come in droves. *1st to Die* sets up the premise of the series—a group of four successful women coming together to solve murder cases—while offering a heinous killer and a fast-paced [\(read more\)](#)

Kirkus Reviews January 15, 2001
Four women band together to catch the forgettable fiend who's murdering newswomen. Even before she knows she's dealing with a serial killer, Inspector Lindsay Boyer is overcome with emotion at the beautiful young corpses of David and Melanie Brandt. Retreating to the ladies' room moments after tossing upstart reporter Cindy Thomas out of the crime scene. [\(read more\)](#)
