Number of Ethernet Network Adapters	1	1	1	2 Gigabit Adapters	2 Gigabit Adapters

Dedicated server required*

Workstation System Requirements For Atrium:

Monitor: 1024 x 768 resolution or higher

PDF Reader: Adobe Acrobat Reader or equivalent PDF reader

Supported Platforms: Windows 7, Windows 8, Windows 10, and Macintosh OS (latest two releases)

Supported Browsers: Current versions of Microsoft Internet Explorer, Microsoft Edge, Mozilla Firefox, Apple Safari, and Google Chrome

*What's a **dedicated server**? Atrium requires a server that runs Book Systems software only. It cannot be used for another purpose such as e-mail. You can purchase your own dedicated server; or we can host your data for you on our server (Atrium ASP).
