Montgomery Public Schools, Montgomery, Alabama chooses Atrium

Book Systems Inc., a national leader in library technology, has been awarded the contract to implement all 58 libraries to Atrium, our premier product. Montgomery School District consists of 10 junior high schools, 4 high Schools, 9 magnet schools and 32 elementary schools, 1 alternative school and 2 special education centers. The total enrollment is over 32,000 students.

The mission of the Montgomery Public School System is to ensure all schools will be safe and caring communities where teachers teach and all students learn at higher levels.

Montgomery Public School's Vision is: One focus ... preparing students for life.

Book Systems, Inc.

20 Years

10,000 Customers

50 States

37 Countries

Book Systems Inc. provides affordable feature-rich library software that delivers solutions to libraries of all sizes. Our software is suited to fit the needs of librarians in a technology driven world, while still being easy to learn and user-friendly. Atrium offers an easy-to-use circulation desk, quick cataloging, MARC editing, easy-to-create reports, theme choices, serials, acquisitions and textbook management. Our software provides more features and demands fewer resources. Book Systems is dedicated to quality and customer satisfaction. The company's philosophy is very simple: create quality products; test them with input and direction from librarians in the field; and back them up with renowned customer service and support.
