Schulenburg ISD Migrates to Booktracks

Schulenburg ISD, composed of an elementary and high school in Schulenburg, Texas has successfully implemented Booktracks for their textbook management. The mission statement for the school system is “Honesty, Opportunity, and Responsibility NurtureSuccess.” With the purchase of Booktracks, the school system is checking out the textbooks, generating reports and form letters with the student’s name, textbook title and cost. This teaches the students accountability and responsibility while saving the school system money in replacing lost textbooks.

About Book Systems, Inc.:

Book Systems, Inc. provides affordable, feature-rich library and textbook management software that delivers solutions to libraries and schools of all sizes. Booktracks, our Web-based textbook management solution, was designed to protect one of the district's most valuable assets - textbooks. Our software is suited to fit the needs of the textbook coordinator in a technology-driven world, while still being easy to learn and user-friendly. Booktracks offers easy-to-use Self Check Out and Self Check In Stations, quick cataloging, and standard and customizable reports. Book Systems is dedicated to quality and customer satisfaction. The company’s philosophy is very simple: create quality products; test them with input and direction from librarians and textbook coordinators in the field; and back them up with renowned customer service and support. Book Systems is a privately-owned company with its corporate headquarters located in Huntsville, Alabama, where NASA’s space programs and other government technologies have created a vibrant environment of innovation. Further information is available at www.booksys.com and www.booktracks.net
